

EB-L200W

DATASHEET / BROCHURE

An affordable laser display solution with stream and share, built-in 16W speakers, ease of use and smart cost savings.

Bring sharp images and bright colours to any meeting room with our super-bright new business projector combined with HD-ready WXGA resolution. The EB-L200W is designed to stream and share with wireless LAN, Screen Mirroring and split screen with two or four inputs in one display.

Laser performance

WXGA display with high contrast ratio of 2,500,000:1 and 3LCD technology provides pin-sharp image quality. Equally high White and Colour Light Output gives your presentations impact, even in brightly-lit rooms.

Simple set-up and connectivity

Offers auto power-on and an array of connectivity options including Dual HDMI and built-in wireless LAN to stream content from laptops or mobile devices with Screen Mirroring (Miracast). Compatible with iProjection software¹ for easy connectivity with mobile devices and content sharing.

Keep costs down

Project for longer with exceptional reliability and a longer usage life of up to 30,000 hours in Eco Mode (20,000 hours normal).

Home screen

The home screen offers quick and easy access to a variety of useful functions, such as choosing connection sources. Wireless connections can also be made easily using the information on screen.

Value added flexibility

Epson iProjection software¹ makes it possible to connect with up to 50 computers and partition the screen for split-screen projection capability - offering far better cost-effectiveness and flexibility than a flat-panel display.

KEY FEATURES

- **4,200-lumen brightness laser display**
Crisp images and bright colours, even in well-lit rooms
- **Laser projector**
Virtually maintenance-free performance for up to 30,000 hours (Eco)
- **Stream and share**
Wireless LAN, Screen Mirroring and dual HDMI for easy integration and built-in 16W speakers
- **Fit and forget reliability**
Durable Epson laser technology supported with additional peace of mind with our five-year warranty
- **The complete solution**
Incredible 2,500,000:1 contrast ratio for vivid, lifelike content and deeper blacks
