DATASHEET / BROCHURE

Enjoy the big screen experience at home and deliver sharp presentations at the office with this portable 3,300 lumens XGA projector.

Give box sets and business presentations the wow factor with this projector's large and high-quality display. It's sure to please with exceptionally bright and clear images that also feature clearly defined shadows and deep blacks. It utilises 3LCD technology that's up to three times brighter than competitor products². Offering great value for money, it has an incredibly long lamp life.

Bigger is better

Whether you're watching blockbusters or delivering a presentation, this projector can achieve an impressive 300-inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products². In addition to its bright and vivid colours, the 15,000:1 contrast ratio produces defined shadows and deep blacks. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

High-quality, bright images

Even in bright rooms, this powerful yet affordable XGA projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,300 lumens.

Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for your projection needs? With this model's long-lasting lamp light source, you could watch a film every day for 15 years¹.

Stress-free set up

Here's a projector that's designed with portability and quick set up in mind. Position the image with keystone correction and access content simply with the HDMI inputs. Thanks to the optional ELPAP10 adapter, it offers Wi-Fi connectivity, allowing you to share content from a smart device using the iProjection app.
